

Fall/Winter 2021 Catalog

TRUSTED PARTNER

For over 20 years, Vanities International, formerly known as

HOTEL VANITIES
INTERNATIONAL®

has been an industry leading supplier of quality products for the hospitality, multi-family, student housing and senior living industries. We offer a complete line of quality quartz, granite, wood, metal, and cultured marble for the bath and kitchen areas including

vanity tops, vanity bases, shower bases (pans), bathtubs, shower surround panel sets and shower doors. We also provide window sills, thresholds, sinks, faucets and many other bathroom and kitchen accessories.

THE VANITIES INTERNATIONAL ADVANTAGE

Our commitment to quality extends well beyond just the products we offer as our entire team is built around 100% complete customer satisfaction. With over 20 years of experience, Vanities International quality and design are unparalleled in the Industry. This combined with our proprietary project management systems ensure we can fabricate and source your products fast and within budget. At Vanities International we focus on doing it right and on-time without playing the industry 'change order' game. If you are looking for a true turnkey partner that is skilled in all areas from design through installation, then look no further. Additionally, our team has extensive CAD design experience to help you achieve that unique look and separate you from your competitors.

HOW WE CAN BENEFIT YOU

With Vanities International, you will have an experienced team that is passionate about supporting you and your projects. We have 20+ years of insight on project details that have enabled us to build solid streamlined processes. We can see bottlenecks that may occur and adjust to avoid product delays that other competitors may not even see until it is too late.

We offer USA, North America and Asia production options to meet your pricing and timeline needs. This gives you maximum flexibility in the selection process which allows for tailored solutions to your unique project.

VANITY TOPS

CHOOSE THE PERFECT COUNTERTOP FOR YOUR KITCHEN & BATH

Vanity tops have been the 'bread and butter' of Vanities International for over 20 years. Our full service operation includes the designing, manufacturing, supplying, and optional installation of the vanity tops which ensures you of outstanding quality and timing for your project.

OUR VANITY BOWLS MATCH ANY STYLE & PROPERTY

Vanities International offers an unlimited selection of lengths and bowl locations made from high quality raw materials in your choice of integral, vessel, undermount or drop-in bowls.

Undermount sinks/bowls are available in several different shapes, sizes and colors and meet/exceed ANSI Z 124.3 or ASTM E-162 standards.

KITCHENETTES, BAR SINKS AND COOKTOPS

FUNCTIONAL AND BEAUTIFUL

From wet and dry bars to full apartment style kitchens, we offer full turnkey services including design, take-off, ordering and installation. Reach out to us about your project specifics, we would love to help you find the perfect solution within your budget.

- High Quality Kitchenette Surfaces Options
- Undermount Installation Available
- Bar Sinks Available From Dayton, Elkay and Houzer
- Seamless Designs
- Several Cooktop Manufacturers Available

PUBLIC MEETING SPACES

COMMUNITY SPACES - A GREAT 1ST IMPRESSION

Vanities International supplies countertops for your public and community areas. Often times these areas may get overlooked, but they are sometimes the most important spaces within an establishment. Our team hand picks our top choices for registration desks, breakfast bars, table tops, business centers, fireplace surrounds, tile floors, window sills and more. Whatever your needs, we can prefabricate the items or simply supply slabs at reduced pricing for your own fabricator to use.

MAKE AN IMPRESSION

- Public areas can be the first spaces your guests experience
- Bar tops and breakfast bars are fully customizable
- Registration desks that **wow!**

SILLS & FURNITURE TOPS

WINDOW SILLS AVAILABLE IN A VARIETY OF MATERIALS

Granite, Quartz and Cultured Marble sills and caps come in standard depths of 4", 5", 6", 8" & 10" and are typically $\frac{3}{4}$ " thick. They are available pre-cut to match your exact product size.

- Granite
- Quartz
- Cultured Marble
- Solid Surface
- Wood

DON'T REPLACE YOUR FURNITURE – RENEW THEM WITH STONE TOPS!

When your wood or laminate furniture tops become damaged or worn out, why replace the whole furniture piece? Resurface them with the beauty of natural granite or the latest trend, quartz, and extend the life of your furniture investment while being eco-friendly.

Have old TV armoires? Most hotel chains have approved cutting the top off the armoire and replacing it with a beautiful granite top for a TV to stand on - A cost effective modern look that is great for the environment too. No need to purchase new furniture. Instead, bring a classic updated look into any room. Ask your Vanities International Sales Manager for more information.

COUNTER TOP MATERIALS

Granite

Imported from all over the world, granite is durable and naturally beautiful. Granite can be fabricated into a nearly unlimited number of shapes and sizes. It is excellent for vanity tops, kitchen tops, window sills, breakfast bars and much more.

Engineered Quartz

The most popular counter top choice, Engineered Quartz is a man made product using natural ground quartz and advanced resin material. Quartz has an extremely dense surface giving it high stain and abrasion resistance. Quartz is a great material for vanity tops, kitchens, window sills and public areas. Quartz is modern, in style and stronger than granite.

Cultured Marble

A man made product to simulate the look of natural marble. A specially blended combination of natural ground marble and polyester resin with pigments added to create numerous colors. Since it is man made, it is typically more consistent in color than natural stones and is available in solid and veined colors with a protective Lustercoat finish that is extremely dense and does not require sealing. Cultured marble is an excellent material for shower/tub surrounds due to its dense surface which is very easy to maintain. Cultured marble is also available for Vanity tops and window sills.

Solid Surface

A man made product similar to cultured marble but it is typically an acrylic resin base with synthetic fillers and is mixed in a vacuum to remove any air from the mixture. This allows the finished product to be tooled and re-fabricated. There is no protective surface coat but the material is very dense, resists bacteria formation and not susceptible to staining.

Solidstone™

A cultured marble with a simulated granite finish. Being man made, it is typically more consistent in color than your natural stones and has a protective Lustercoat finish that is very dense and does not require sealing. Solidstone is an excellent material for tub surrounds due to its dense surface which is very easy to maintain and resists bacteria formation. Solidstone is also available for Vanity tops and window sills.

SHOWER SURROUNDS

BEAUTIFUL HAND SELECTED SHOWER SURROUNDS

Vanities International offers numerous shower surround options including Cultured Marble patterns, Natural Granite, Natural Marble and Tile. Cultured Marble Panels are the most popular. They are easy and quick to install, durable and affordable. All of these products will protect the walls and each has its unique advantages. Contact us to discuss your project details, we would love to help you choose the best product for your specific needs. Here at Vanities International, we are committed to going the extra mile for our partners. 100% customer satisfaction is our passion and goal.

- Huge variety of options
- Bathroom customization
- ADA equipped for safety

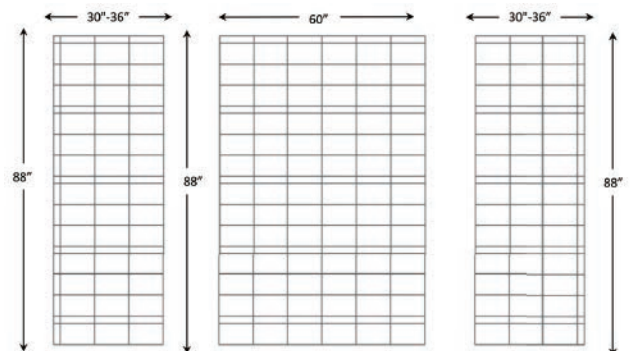

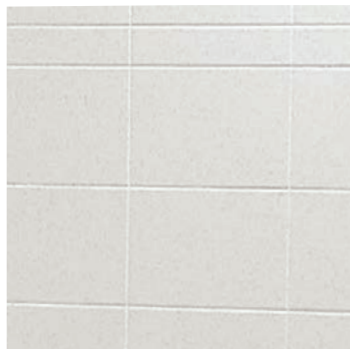

SHOWER SURROUNDS

STYLISH, VERSITILE, DURABLE AND AFFORDABLE

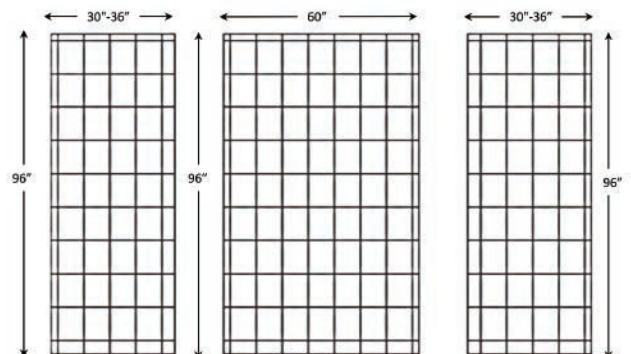

Cultured Marble surrounds are popular and we highly recommend these materials. These materials are versatile in design, durable, very low maintenance and reasonably priced. These surrounds are available in numerous simulated tile patterns or in a smooth surface with a gloss or matte finish. They are easy and quick to install. These surrounds come in large panels which means only a few seams. When installed using 100% silicone sealants, these surrounds will last and last with minimal care. Additionally, custom patterns are available upon request.

OTHER SHOWER SURROUND PANEL OPTIONS

Natural Granite and Marble are available as surround material in large 1 cm thick panels with fiberglass backing in various tile sizes. The beauty of natural stone is hard to beat! You can add inlay and combine different colors for beautiful effects. Granite can be quite affordable depending on the color and style selected. All natural stones do require regular sealing.

Tile surrounds offer a tremendous selection of colors and designs. Tile can be done very affordably or can be upgraded by adding attractive special inlays or glass inserts. Tile requires highly skilled tile installers to ensure proper installation and to avoid future issues. Therefore, Tile installation is significantly more expensive than Cultured Marble and Natural Granite. Regular maintenance to the grout seam is highly recommended.

SHOWER (& WALL) TILE

STYLISH AND AFFORDABLE DURABILITY

Wall tile is a beautiful and affordable way to both modernize and upgrade any shower or bath application. We offer a very wide selection of high-quality porcelain and ceramic tile which is typically in stock and available to ship very quickly. Additionally, we can provide full installation when necessary. Tile can also be used to help complement any backsplash or feature wall along with endless possibilities and options from which to choose. We supply all types of tile from complex to simple rectangular tile in a variety of shapes and sizes, to provide elegance, durability, style, and a low-maintenance lifestyle for many years.

FLOORING LVT & LVP

Luxury Vinyl Tile (LVT) & Planks (LVP)

LUXURY VINYL TILE & PLANKS

LVT & LVP - THE HOT TREND IN FLOORING

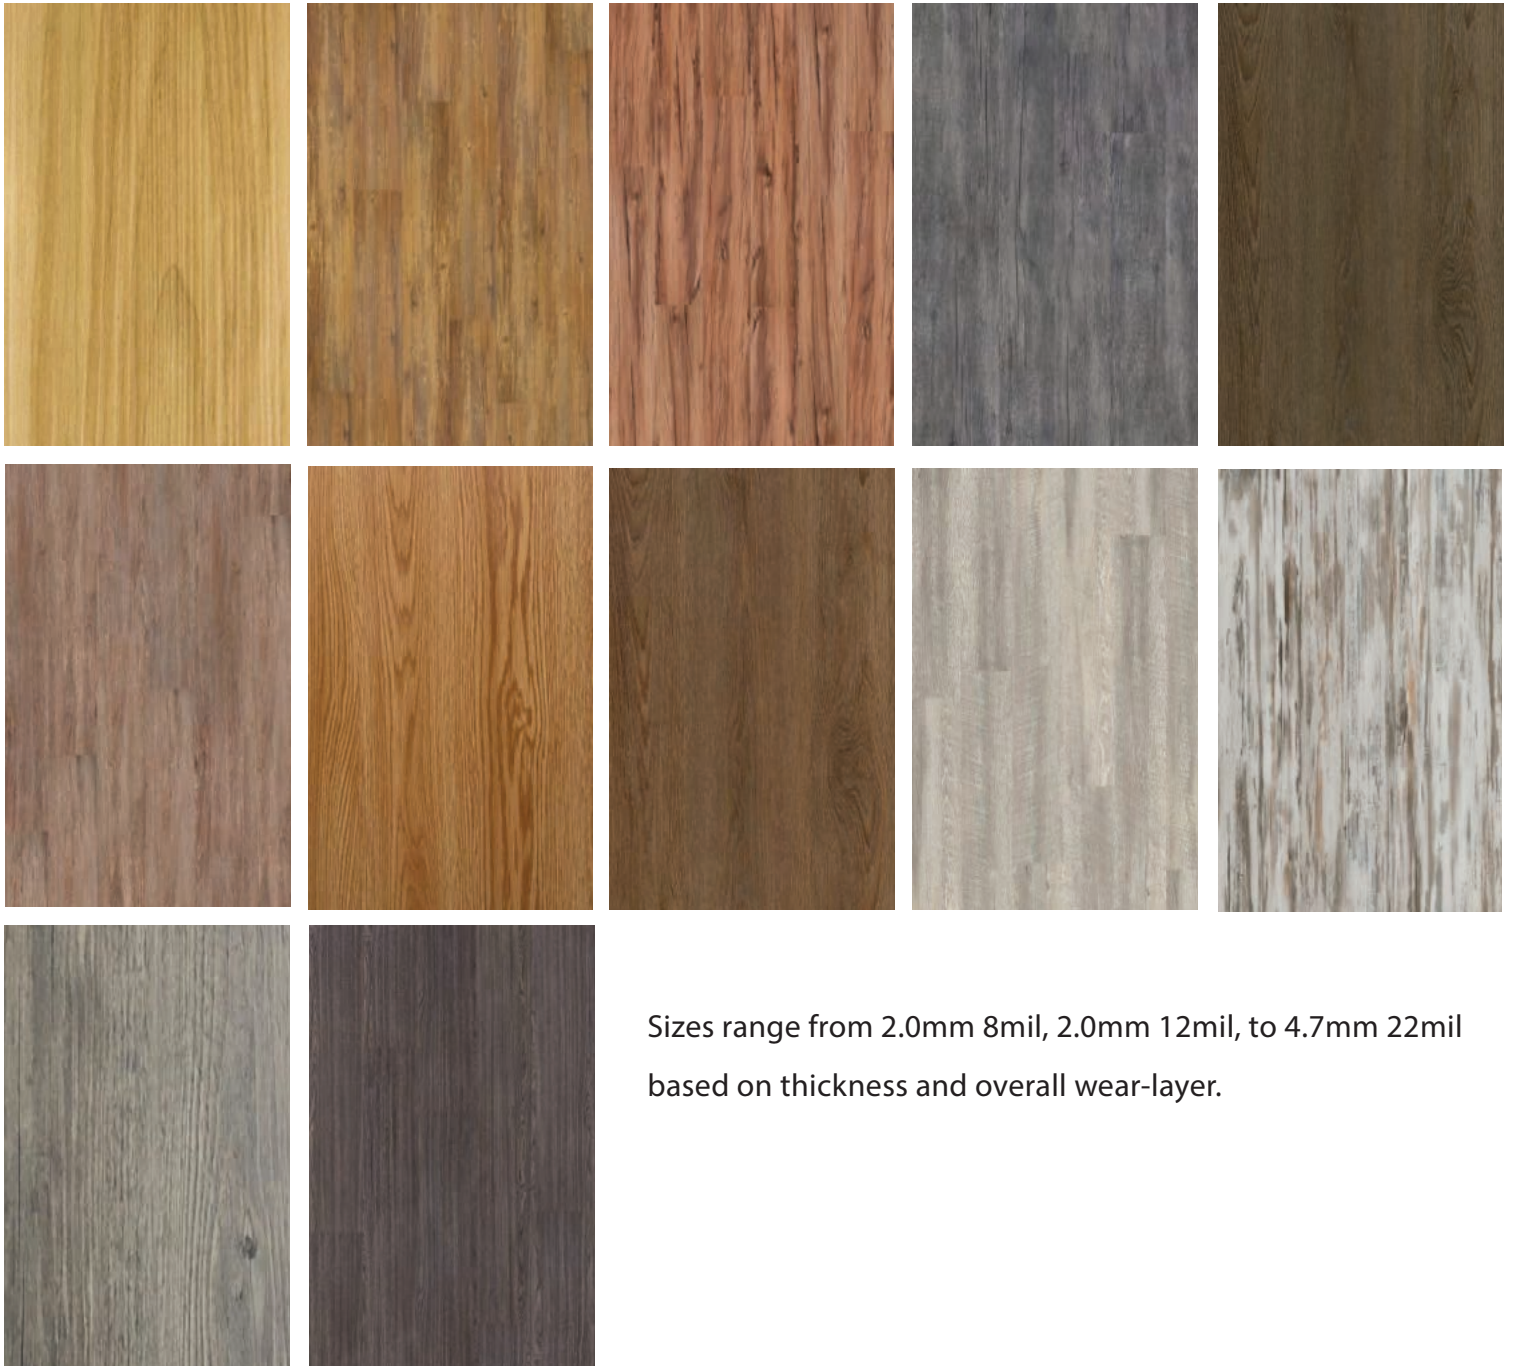

The commercial flooring industry has become increasingly diverse over the past few years as we continue to see more high styles, comfort, and durability being played out in virtually every market. In today's fast-paced economy with limited budgets we have seen a continued evolution into larger format tiles and LVT/LVP (Luxury Vinyl Tile & Planks). With numerous flooring options to choose from, you can rely on us to help with a full range of products to fill your specific need. Vinyl tiles and planks have become increasingly popular since they are also waterproof, easy to clean, and require little to no maintenance. Our Sales Team is always eager to discuss all of the many options we provide.

DESIGN SERVICES & INSTALLATION

Designing

Vanities International is a full service company with over 20 years experience in the bath and kitchen industry. Our team is experienced in residential/commercial bath and kitchen design. We would love to have the opportunity to partner with you on your project.

Sourcing

Vanities International has extensive knowledge and experience in the manufacture of vanity tops & bases, shower surrounds & pans, bathtubs, cabinetry and much more. Over the past 20 years, we have built strong partnerships around the world. If we can't fabricate it for you, we can definitely source your needs from one of our global partners, at a competitive price.

Installing

Vanities International provide you with full installation services. Whether you have a basic vanity replacement, a tub to shower conversion or a complete bath renovation, we have the right crew for the project. Our installers are the best in the business, all with many years of experience. Each company's product is always a little different and our installers know all the 'ins and outs' of everything we make to insure you get a quality installation. Based on the size of your project, we can scale from as little as 1 installer to over 20 installers to get the job completed timely - to ensure minimal downtime and lost revenue! We pride ourselves in excellent customer communication and a quick turnaround time and, of course, all of our work is guaranteed and comes with a warranty. We can do as much or as little of your project as you decide. If you have a maintenance department that wants to do certain parts of the job, we will be happy to do the rest.

Service

Repair and maintenance services are also available. We will do our best to help you with chips, scratches, scrapes as well as any other issues you might have.

SPECIFICATIONS

TECHNICAL DATA FOR CULTURED MARBLE & SOLIDSTONE

| Property | Typical Results | Test |
|--|--|----------------|
| Workmanship & Finish | No cracks, chips or blisters | ANSI Z - 124.3 |
| Structural Integrity, Point Impact Loads | No Fracture | ANSI Z - 124.3 |
| Stain Resistance | No staining | ANSI Z - 124.3 |
| Abrasion Resistance | Loss of white light reflectance less than 2% at 10,000 cycles | ANSI Z - 124.3 |
| Cigarette Test | No ignition or progressive glow of the surface during or after contact with lighted cigarettes. Any resulting damage is easily repaired using abrasive and polishing compounds to approximate the original finish. | ANSI Z - 124.3 |
| Chemical Resistance Test | Finish unaffected | ANSI Z - 124.3 |
| Hydro-Thermal Shock Test | No evidence of cracking or crazing | ANSI Z - 124.3 |
| Flammability Test | Flame Index 5.95 | ASTM - E162 |

* All test results meet or exceed UPC, NAHB, and HUD Bulletin No.73 A requirements.

How to specify products by Vanities International LLC

Vanity tops, bath enclosures, wainscoting and all other related products shall be made of cultured marble or granite as supplied by Vanities International, LLC of Fishers, IN. Color and pattern shall be selected by the architect and physical properties shall conform to manufacturer's standard specifications, which meet or exceed standards as prescribed by the American National Standards Institute, Inc. as promulgated in ANSI Z-124.3

CARE & CLEANING

GRANITE CARE

Natural Granite stone can provide you with a lifetime of beauty and pleasure if proper care is provided. Although we usually think of stone as “hard”, granite is a porous material. Natural Granite has varying degrees of porosity. The best way to protect the surface is with a protective sealer/impregnator. The sealer/impregnator fills in the pores and repels spills on the surface allowing you time to completely wipe it away. If left unsealed, spills and everyday messes can penetrate the surface and eventually stains will be left behind. Vanities International highly recommends applying a protective sealer/impregnator.

Natural Granite countertops should be sealed after the caulking has completely cured and before going into service by guests. For best long term results, reapply sealer once a year. We recommend GranQuartz™ #413S Professional Impregnator (sealer). This is a highly effective silicone impregnator, easy to apply, cures quickly, and offers the ultimate in long term stain protection on all stone surfaces. GranQuartz™ #413S leaves the stone looking completely natural and is UV resistant.

Natural Granite stone requires cleaning products specifically designed for the stone’s unique mineral composition. Using cleaners formulated for natural granite stone will effectively remove tough messes yet be gentle on the surface and will not break down the protective impregnator.

Many general purpose cleaners can etch or damage the stone. These cleaners can degrade the impregnator by removing the protective properties and becoming susceptible to stains. Cleaning products containing orange, lemon, vinegar, or other acids may etch the stone (especially black stones). Scouring powders and abrasives will scratch the surface. Highly acidic substances such as orange juice and wine can also etch natural granite stone and leave a dull mark.

We recommend GranQuartz™ #113M 3-in-1 Stone Countertop Cleaner/Polisher/Protector. It offers no build-up, and can be used on any non-walking surface. 113M resists water spots and stains and can also be used on brass, stainless steel and chrome. You may order by calling GranQuartz™ at 1-800-458-6222. A one liter bottle will seal approximately 150 square feet of stone, or 10 granite tops at 60” long with apron and splashes.

CARE & CLEANING

MARBLE CARE

Your product has been made by skilled craftsmen using only quality materials. Our high standards are seen in the durable beauty of this product. The following suggestions will help you maintain the splendor and character of your marble.

Cleaning

- Preserve the luster of your marble by an occasional cleaning and waxing
- Use only liquid, non-abrasive cleaners
- Apply a light coat of non-yellowing wax polish after cleaning
- Remove hard water and rust stains with a mild vinegar and water solution followed by polishing
- Certain chemical substances can seriously damage your marble, even for brief periods of contact
- The reagents listed should be avoided:

Comet, Ajax and other abrasives
Hydrogen Peroxide in any concentration
Clorox and other Hypochlorite solutions
Drano and other Lye solutions

Nail polish remover
Sani-Flush or other sodium Bisulfate compounds
Paint strippers containing Methylene Chloride

Stain Removal

- Mold and mildew - Diluted solution of Clorox - NEVER USE PURE CLOROX, always dilute
- Cigarette stains - Bon Ami applied with a toothbrush, followed up with polishing compound
- Greasy stains - Mineral spirits
- Shoe polish - Polishing compound

Repair of Scratches - Gloss Finish Marble

- Minor surface scratches - Buff out using a polishing compound
- Deep scratches or burns - Sand lightly with 600 grit sandpaper in a circular motion and buff with polishing compound
- Small chips - Fill with clear nail polish follow instructions for sanding out light scratches

Repair of Scratches - Matte Finish Marble

- Minor scratches / stains - Rub out with a purple Scotch Bright Pad
- Deeper scratches - Sand lightly with 400 grit wet sandpaper

WARRANTY INFORMATION

LIMITED WARRANTIES

CULTURED MARBLE AND SOLIDSTONE™ WALL PANELS LIMITED WARRANTY

For 1 (one) year from the date of purchase, this product will be warranted to be free from any manufacturing defects. When installed in accordance with current published procedures by a trained professional and fails to perform as described, the manufacturer will replace or repair, at its discretion, the defective materials, or component part, free of charge. All decisions regarding the existence of manufacturing defects or affecting this warranty shall be made by Vanities International and shall be final and binding upon the parties. Labor, Freight charges and/or consequential damages are not covered under this warranty.

CULTURED MARBLE AND SOLIDSTONE™ VANITY TOPS LIMITED WARRANTY

For 1 (one) year from the date of purchase this cultured marble or Solidstone™ vanity top will be warranted to be free from any manufacturing defects. If the product is properly installed and it fails to perform as described, the manufacturer will repair or replace, at its discretion, the defective materials, or component part, free of charge. All decisions regarding the existence of manufacturing defects or affecting this warranty shall be made by Vanities International and shall be final and binding upon the parties. Labor, Freight charges and/or consequential damages are not covered under this warranty.

This warranty does not apply to any seams or other changes made to the product by professional tradesmen or other fabricators. Any damage caused by over tightened drains, bowl hardware, neglect, abnormal use, impact, abuse, or any act of nature or man made hazard are not covered by this limited warranty.

NATURAL GRANITE PRODUCTS LIMITED WARRANTY

Natural granite tops are warranted for a period of 1 (one) year against any defects caused by the fabrication process. Granite is a unique product of nature and there is no warranty against any naturally occurring flaw in the pattern, color or consistency of the stone. Natural stone requires initial sealing of the surface with a high quality sealer by the purchaser. Failure to seal the surface will void this warranty. Occasional resealing is also recommended to maximize stain resistance and long term durability.

OTHER PRODUCTS DISTRIBUTED BY VANITIES INTERNATIONAL, LLC.

China bowls, toilets, sinks, faucets, equipment, accessories and other products distributed by Vanities International LLC are warranted solely by the manufacturer of those products.

WARRANTY INFORMATION

VANITIES INTERNATIONAL MAKES NO EXPRESS OR IMPLIED WARRANTY INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (EVEN IF THAT PURPOSE IS KNOWN TO VANITIES INTERNATIONAL), OR FROM ANY COURSE OF DEALING OR TRADE USAGE REGARDING THE PRODUCT.

The sole responsibility and liability of Vanities International under these warranties shall be to repair, or replace, at Vanities International's option, the Material shown to be defective during the warranty period. Vanities International shall have no liability for any other loss, damage or expense, arising out of or in connection with the installation of the Material. In no event shall Vanities International be liable for special, indirect, incidental, punitive, consequential or any similar damages (including, without limitation, damages for loss of business profits, business interruption or any other loss), whether or not caused by or resulting from the negligence of Vanities International even if Vanities International has been advised of the possibility of such damages.

This warranty does not cover damage and Vanities International hereby disclaims, all liability for damage caused by mishandling, misuse, damage from excessive heat or uneven exposure to weather conditions, physical or chemical abuse, uses of products exposed to outside weather and climate conditions design or installation of Vanities International products, any particular application or selection of products for any particular project or design, any parts, components, sealants of other manufacturers used with Vanities International products, or the lack of performance of Vanities International products attributable to such items. In addition, Vanities International shall not be responsible for any damage or injury caused in whole or in part by acts of God, climate, job site conditions, architectural and engineering design, structural movement, acts of vandalism, accident, war, nor defective or improper workmanship by the installer or any labor, nor any other damage or injury not solely caused and directly by defects in products covered by this warranty. Laws and building and safety codes governing the design, engineering and construction of installations vary widely. Vanities International assumes no responsibility or obligations with respect to the selection of product for the installation or the design, engineering and construction of the installation.

In order for Vanities International to respond under this warranty, the owner must give Vanities International prompt notice of any alleged defects that appear or should have been discovered after the exercise of reasonable diligence. Vanities International or Vanities International's authorized agents must be permitted to inspect the Material and thereafter to follow Vanities International's warranty services procedures. All decisions regarding the existence of manufacturing defects or affecting this warranty shall be made by Vanities International and shall be final and binding upon the parties.

This warranty is issued to the original owner of the structure into which product was installed and expires upon transfer of the ownership of the structure to a third party.

This is the only product warranty made by Vanities International for the Material. No representative, dealer or any other person is authorized to make or makes any warranty, representative or promise on behalf of Vanities International with respect to such products. No terms or conditions other than those stated herein, and no agreement of understanding, oral or written, in any way purporting to modify this warranty shall be binding upon Vanities International unless made in writing and signed by an authorized employee of Vanities International.

This warranty shall be null and void unless the products have been paid in full. This warranty shall be interpreted exclusively under the laws of the State of Indiana.

For more information about this warranty, please contact Vanities International directly by writing or calling:
Vanities International LLC, 9003 Technology Lane Fishers, IN 46038, Phone: 317-831-2717
